

- If an activity will take girls or adults into water more than ankle deep a Swim Test Classification Form is required.
- A girl or adult always has the option to opt out of the swim test and declare themselves a Non-Swimmer (Red).
- Swim Tests can be conducted by a lifeguard, swim instructor, swim coach, water safety instructor, or other qualified adult. A "qualified adult" is one who has a recognized certification, training, license, or accreditation, and has experience in supervising/educating youth on water safety.
- Swim Test Classification Forms are good for one year from the date of the test.
- Troops maintain an original copy of the Swim Test Classification Form in Troop records for four (4) years.
